valiqualite

Solar Swimpool - VLP

Applications:

- Residential and commercial swimming pools
- Spa's
- Filtration

Pump Features:

- High efficiency brushless motor
- High efficiency synchronous motor
- Copper winding

Plastic Impeller

Carbon/Ceramic Mechanical Seal

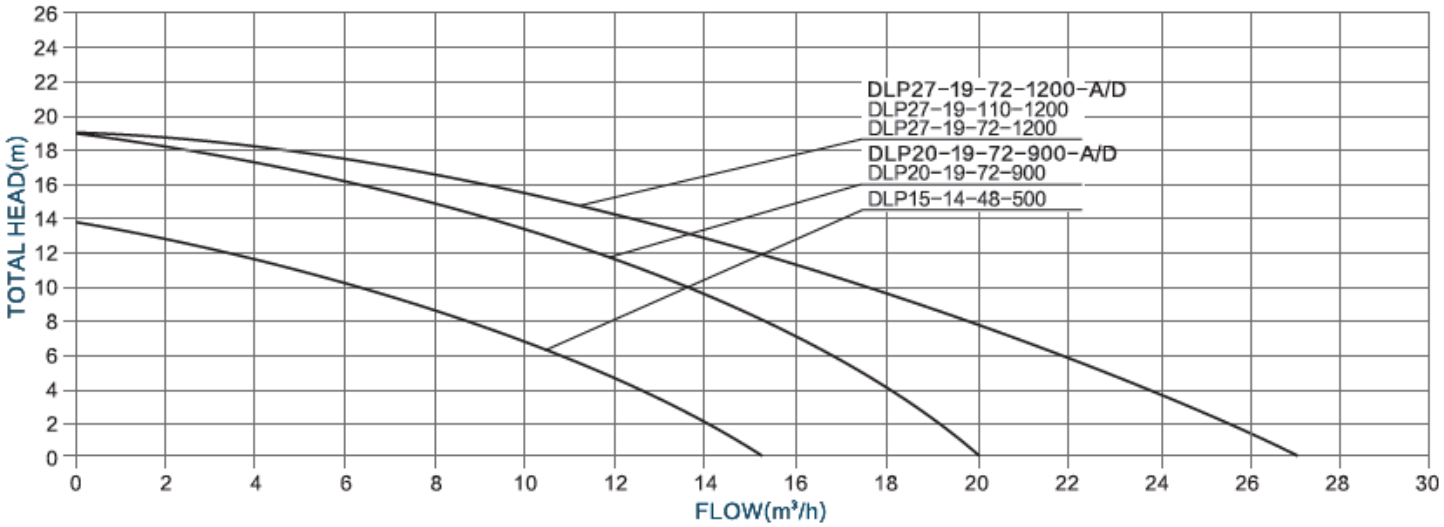

High Density Plastic Casing

CU / NSK Bearings

DC Controller:

• Protection class: IP65
• Ambient temperature: -15°C ~ 60°C
• LED displays working conditions & fault codes
• Auto start & stop
• Soft start

Performance Curve:

Performance Table:

Model	Power	l/min	0	33	67	100	133	167	200	233	267	300	333	367	400	433
